MyHealth China app

Our Allianz MyHealth China app has been designed to give you easy and convenient access to your cover, no matter where you are. With our MyHealth China app you can access the following features from your mobile device:

My claims - submit your claims in 3 simple steps and view your claims history.

My policy - access your policy documents and your Membership Card on the go.

My contacts - access our 24/7 Helpline and local emergency numbers. Our Helpline can provide service in both English and Chinese.

Pharmacy aid - enter the brand name of your medicine, then select it to view its active ingredients.

Symptom checker - for a quick and easy evaluation of your symptoms.

Translate - translate common ailments into one of 17 languages.

GETTING STARTED

Download - you can download the app from the Apple App Store or Google Play Store by simply searching for "Allianz MyHealth China" app and following the on-screen instructions. You may find a similar app called "Allianz MyHealth" in the app store, please avoid downloading this version as it will not work with your Allianz Jingdong policy.

If you have an Android device but do not have access to the Google Play Store, please follow the instructions provided on <https://www.allianzcare.com/en/support/member-resources/my-health-app/china.html> to "sideload" it safely onto your Android device.

Initial setup - once downloaded, open the app and insert your policy number. Then, if prompted, register to receive a username and temporary password. Otherwise, please insert the login details available from your Membership Pack. When requested, change the temporary password provided to something you can easily remember. If you re-install the app or setup the app on another device, please use this setup information again. Please note that you can also use these details to login to our Online Services.

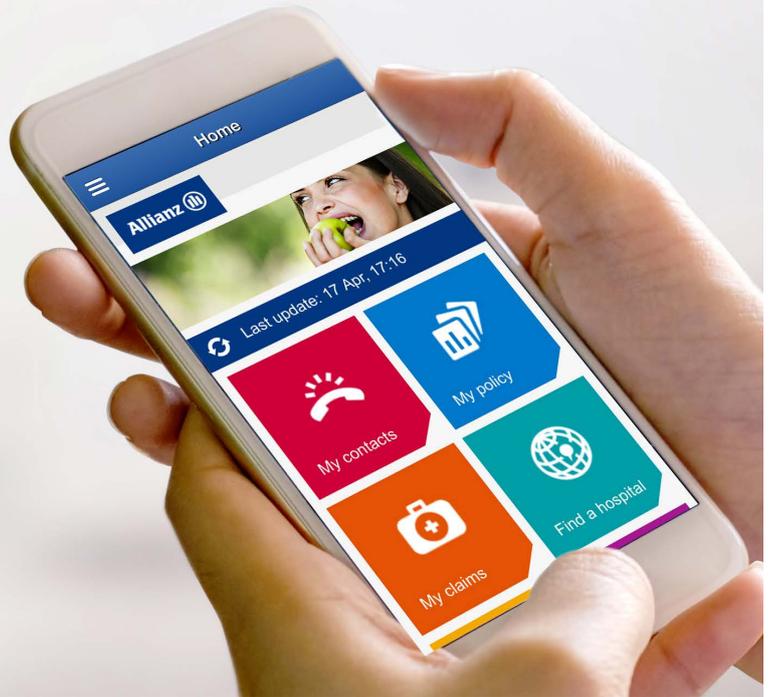

Set PIN - finally, set your own unique PIN number. In the future, this PIN number will be all you need to access the Allianz MyHealth China app and all its features.
